

Commentary - new urgent and important message
from the Holy God Jesus Christ - our Saviour

25.03.2025

It is Saviour's will that we write "paradise".

When Jesus was hanging on the cross, one of the two thieves was the first to confess on Jesus' cross.

It was a complete dying indulgence (absolution).

Then Holy God Jesus Christ spoke to the penitent thief

(Gospel of Luke - chapter 23 verse 43): "Truly I tell you, this very day you will be with Me in paradise".

Paradise is the place of bliss, the light of God shines in full splendour, it's so beautiful there, nothing like it on earth.

J. was allowed to see paradise.

We won't be sick and sad there, we won't cry, argue, there won't be war and hatred, but **be happy and only love be eternal.**

And this paradise really does exist

and everyone can look forward to coming inside.

The devils don't want us to write "paradise" but "heaven".

It was a struggle for us to write the word paradise.

Triune Holy God is very important to write, because He is God in Three Persons, Father, Son and Holy Spirit, inseparable - one Holy God.

Triune Holy God, the demons don't want us to write either, they would rather write Lord without Holy God, or our brother – **that is too little for a God in three persons.**

Those speak only Jesus, without Holy God, or instead of Holy Mother of God and Holy Mary, only Mary, but not Holy Mary.

How many millions of Mary's names are there in the world?

Which Mary is meant? Nor should we say Blessed Virgin Mary, but, **she is the Holy Virgin Mary.**

The devils hate addressing the Mother of God as Saint.

The Savior said: "My mother was holy even before she was born - e.g. Immaculate Conception.

The Holy Mother of God also confirmed this in Lourdes with Bernadette Soubirous.

The devils are eternally damned, they have no love, hell belongs to them. They are very envious and full of hatred towards human and want to win them over and plunge down them into hell. The devils want to plague and influence many souls: that there is no paradise and no God, and rob human of their faith so that they do not receive grace and love from God.

Because faith without love does not bear fruit.

That is why we must pray that God will always give us grace,
the firm enduring faith, love and peace.

The "Our Father's prayer that bears much good fruit" has also been confirmed by the Saviour now, it is 1000 times better and much more! and has allowed us to translate in many languages, will be prayed and has also said **that a new war will come.**

The devil has fought and disturbed much that we do not write and spread the new words of the Saviour.

When wars and disasters happen, the Saviour gives us new, better and stronger words to write, so that all human pray and be saved.

Because we can't bear with the plagues of demons,
to write everything from once. We and you who pray are in the school of the Saviour. The Saviour gives us new words to write little by little.

That is why we write the prayers with a new date.

At present, the prayers, songs and miracles have been spread and copied over a billion times and more, in all countries and continents of the world. It is not from us, but much is inspired and corrected by the Saviour Himself. It is better to pray: **we praise you**, Holy God Jesus Christ", as: "Praise **be to** you Christ".

Everything we have written and many millions of people have copied and copy further, we ask that they pray **for us**, as we are united with all human in prayer. We don't ask anyone for money, because we want all human to be saved.

We are happy and faithful to the Savior to receive the reward from Him in paradise, which He has promised us several times in writing.

He often told us: "Your reward will be great, your treasure is waiting in paradise and no one will take it away from you".

I (J) asked the Savior if the prayers are good, He said:

"Everything that comes from me is good"!

We praise and thank the Holy God that He has chosen us minors to write for the whole world and pray on behalf of all and for all souls.

The Holy Triune God bless us and all people -

† Father, Son and Holy Spirit.

**Holy Mother of God with your Child of God dear, please,
give us and all human your protection and blessing. Amen.**
