

A very important message for everyone: 30 May 2025

Remember, soul, that the Devil never leaves your side; he is constantly around you for as long as you live, but your Holy Guardian Angel is also with you for ever and protects you.

It is important that you remain faithful to the Holy Triune God, love Him with all your strength, body and soul, and never stray from Him or turn away from Him. The Holy God knows what you do, what you say and what you desire; He sees where you are and where you are going. He does not look at what you were, but He looks now at what you do and how you behave towards Him. He cares for you, is always with you, never leaves you and is faithful to you. Never forget, dear soul, that He loves you more than you love Him, and He lives in your heart. Always be obedient to Him; give Him the honour, praise and thanks that are due to Him, and live according to His will.

Then the devil cannot harm you, though he will always tempt you and lead you into sin. Only with a pure heart can you serve the Holy God; that is why confession is so important. Remember, the devil does not like confession. He will always tell you that you have no sins!

The Saviour said: 'The war has already begun in the hearts of people'. That is why it is important in these times for all people to be vigilant and to pray to the Holy Triune God. He can end the war, so that peace may return to people's hearts.

Remember, soul, Satan always wants you back with him, because you belong to the Holy God and wish to enter Paradise.

Only when your soul is completely pure can you defend yourself.

But if the devil takes up residence in your heart, you can no longer defend yourself; then you do what the devil wants, and you, soul, will need an exorcism.

When something happens (misfortune, murder, illness, etc.), you ask: 'God, why have you allowed this to happen?' God shortens life so that you, O soul, may be saved and redeemed and attain eternal life.

-

The Holy Triune God has allowed this because He knows what you will become in the future: will you improve and belong to Him, or will you deteriorate and belong entirely to the devil, who will lead you to hell?

When war comes, you must pray more. Think of Jonah and the city of Nineveh! When they prayed, the city was spared.

If you continue to serve the Devil (the Cunning Beast) and if you say you do not need God and do not wish to serve Him, you will have neither love nor peace. Sadly, many souls say they do not need God.

And if you are rich and have a lot of money (a millionaire), the spirit of greed will confuse you and turn you away from the Holy God; you will become blind and will not be happy in your heart!

Man must remain faithful to the Triune God in His love, live according to His commandments—especially the commandment against killing—love his enemies and pray for them. For one must love the sinner and hate the sin.

It is important that we do not fear war, disasters, illnesses, etc., but rather, when the Holy God calls us at the hour of our passing, we should be ready to stand before Him in Paradise with a pure heart.

May the Holy Triune God bless you all,

† Father, Son and Holy Spirit.

Holy Mother of God, with your beloved Holy Child of God, please grant us and all people your protection and blessing. Amen.

PS: It is the Saviour's will that this important report be published on the internet.

(The term 'hinscheiden' means – to die, to pass into Paradise to attain eternal life).
