

# How Holy God Truly Worked

**Praised, loved and gratefully glorified be the Almighty Holy Triune God — the Father, the Son and the Holy Spirit.**

It happened some years ago:

The Holy Mother of God said that I, Julijana, should go to **Marpingen**, near Trier, to confirm that she had really appeared there and to give a talk.

I did not know what I should say, but the Saviour spoke to me:

“When you are there, *I*, the Saviour, will give you the words.”

With me was T., a theologian who had finished his studies.

When we arrived in Marpingen, he was already filled with jealousy and anger towards me, for he served the evil spirits.

I knew this from the beginning, yet the Saviour wanted me to endure him — perhaps so that he might still be saved.

At the chapel there was a sign that said:

*“The lecturer Julijana Ebert will give a talk.”*

The woman who had invited me said sadly,

“No one has come — not a single person.”

I did not think at first that T. had spoken curses so that no one would come. But I said to the woman:

“We will first go to the spring. And when we return, the chapel will be full of people.”

I spoke these words from my heart — the Saviour had inspired them.

And truly, when we returned, the chapel was full to overflowing; even outside, many people were standing.

There was not a single seat left.

T. turned pale, his face green with anger and hatred.

He said that he had never been so tormented.

After the talk, people knelt down and asked for the **blessing of the Saviour**.

I placed my hands over them and prayed for each one until the last person outside had also received the blessing.

As we were driving home, I thought we might stop somewhere for pizza.

We drove through the forest, where there were no restaurants —

and suddenly, **the whole car was filled with a strong smell of pizza**.

The theologian had spoken curses again.

Then I said:

“We will not eat pizza. We will eat the dry bread that is left and drink the cold coffee that we still have.”

And so we did.

I write this report to testify

**how Holy God truly worked — and how the devil was defeated.**

The Saviour said through me:

“When you return from the spring, the chapel will be full of people.”

And it happened exactly so.

The woman was amazed, and I myself was deeply moved to see how faithfully the Saviour fulfills His words.

The theologian who was with the devil had lost.

I was not afraid to sit in the car with him, for I felt: **the Saviour was driving with me.**

The theologian with the devil could do nothing.

I had great trust in Holy God.

Therefore I say:

Always trust in Holy God,  
and remain faithful to Him in His love and humility.

**May the Almighty Holy Triune God —**

**† Father, Son and Holy Spirit — bless you, Samuel, and all people.**

### **Addendum:**

The Saviour wished that this report be published — whether through you, Samuel, or through us, we leave that to the Holy Spirit.

May the will of Holy God be done.

---

### **Second Addendum:**

More than 35 years ago in Milan (Italy),

I was distributing prayer books when a young priest said to me:

“You have mistakes in your Latin.”

I answered:

“Are you without mistakes?”

I know that I cannot do everything,

but he could have said, *I will help you.*  
There was no such spirit in him.

---

### **Third Addendum:**

Years later, the Saviour led me to **Medjugorje**.  
There, confessions were being heard in many languages.  
Holy God led me to a German priest —  
and it was the very same priest from **Marpingen!**

I briefly told him about Marpingen,  
that the Holy Mother of God had truly appeared there.  
Of course, many people were waiting outside for confession,  
but the Saviour wanted me to tell this priest —  
at the right time, in the right place.
